

Leaders & Believers

We are fortunate to have leaders in Lorain County who have a vision for improving the quality of life within our community. For that reason, the Leader & Believers Society was established in 1987. Members of the Society personally support, through gifts of \$1,000 or more, the ever increasing need for health and human services here in Lorain County. Thank you to the 277 donors who contributed \$466,709 through leadership gifts in the 2006-2007 campaign.
