

Campaign Chairman

Mark R. Stewart
Lorain County
Auditor's Office

It was a wonderful experience being the 2006 Campaign Chairman for the United Way of Greater Lorain County. With so many difficult and divisive issues facing people in the world today, I feel our campaign theme of "We're Counting on YOU!" literally brought home the message that the United Way is a means by which a community can help itself. What an empowering notion that local businesses and people can ensure that their charitable efforts will help their friends and neighbors! We did not just raise money; we raised the hopes and spirits of the people we see every day. This is the reason I'm such a big believer in the United Way.

I want to thank all the volunteers and donors that made the 2006 campaign such an enjoyable and successful experience. It made me proud to be a citizen of Lorain County and hopeful for the great things the United Way of Greater Lorain County will accomplish in the future.

"Caring Heart" Bowl-a-thon

The United Way of Greater Lorain County would like to thank all the great people that participated in making our first annual "Caring Heart" Bowl-a-thon a resounding success.

It may have been cold outside but there were nearly 250 warm hearts inside Rebman Recreation Center. Some gathered for friendly competition and others had a family day out. When it was all said and done, great fun was had by all.

Special thanks to our corporate sponsors: Nordson Corporation, EMH Regional Medical Center, Lorain National Bank, Lorain County Community College and Catholic Charities Services of Lorain County.

Mark your calendar's for next year's bowl-a-thon to be held on Saturday, February 23, 2008.

See you at the lanes!
